The full utilization of IGST credit by taxpayer facilitates the Government the following;

- (a) Reduction of transactions of inter -settlement between the Centre & States
- (b) Self utilization of IGST deposited in Consolidated Fund of India through payment route of taxpayer instead of post return calculation

However, in few situations it leads to situation wherein taxpayer has to pay SGST in cash while his balance in CGST Credit ledger still lying.

50.1 Introduction

This section lays down the provisions for payment of interest under the Act for delayed payment of tax.

50.2 Analysis

Section 50 of CGST Act makes it mandatory for a tax payer to pay interest on belated payment of tax i.e. when he fails to pay tax (or any part of tax) to the Government's account within the due date/s.

Interest - When Payable

Interest under section 50 of CGST Act is payable in the following three circumstances

1. Sub-section (1): period for which there is a delay in payment of tax, in full or in part
2. Sub-section (3): Undue or excess claim of input tax credit under section 42 (10) contravening the provisions of section 42(7)

3. Sub-section (3): Undue or excess reduction in output tax liability under section 43 (10) contravening the provisions of section 43(7)

It may be recalled that –

- a) section 42 (10) CGST/SGST Act deals with contravention of provisions for matching of claims for input tax credit by a recipient and
- b) section 43 (10) CGST/SGST Act deals with contravention of provisions for matching of claims for reduction in output tax liability by a supplier

Section 42(7) and 43(7) only deals with discrepancies in matching of credits & reduction in output tax liability against credit notes issued, between a supplier / recipient. All other discrepancies that do not relate to matching would attract interest at the higher rate of 24%. For instance if the supplier discloses output taxes in respect of a particular invoice – say after the 30th of September (which is technically the due date for availment of all credits) then the recipient would not be in a position to avail the entire credit in the first place while the supplier would need to pay the output taxes as well as interest. In this situation what would be the rate of interest – 18% pa or at 24% pa. The readers may debate this issue.

Rate of Interest

The actual rate of interest notified by the Government vide *Notification no. 13/ 2017 Central tax Dated 28 June 2017* are as follows:

S. No.	CGST Act, 2017 Sections	Section description	Rate of interest
1	50(1)	Failure to pay tax or part thereof to the Government within period prescribed	18%
2	50(3)	For undue or excess claim of ITC or reduction of output tax liability	24%
3	54(12)	Interest on withheld refund	6%
4	56	Interest on delayed refunds	6%
5	Proviso to 56	Interest on refund arising from order passed by Adjudicating Authority/ Appellate Authority/ Tribunal/ Court and not refunded within 60 days	9%

Manner of Computation of Interest

1. The manner of computation of period for which interest under sub-section (1) or sub-section (3) is to be paid has not been addressed in the Rules. Generally, the period of interest shall be from the date following the due date of payment to the actual date of payment of tax. Payment of tax as per rule 85(3) be considered only when electronic cash ledger or electronic credit ledger of the registered person is being debited. Mere, credit entry in cash ledger or credit ledger will not tantamount to payment of tax.

It may be noted that Section 39 (7) lays down the last date for remittance, as the last date on which the taxable person is required to furnish such return. Also, Section 2 (117) lays down that a return shall be considered valid, only if the tax payable as per the return is paid in full.

2. Sections 73 (5) & 73 (6) provide that if the tax along with interest has been paid, the adjudicating authority shall not serve any show cause notice.
3. Section 73 (8) provides that where a person has been served with show cause notice but has made the payment of tax and penal interest under Section 50 within thirty days of issue of notice, no penalty is payable and all proceedings in respect of that tax amount are deemed to be concluded. The issue is – whether interest is payable u/s 50(1) or 50(3) ?
4. On a conjoint reading of Sections 50 (1), 73 (5), 73 (6) and 73 (8) of the Act, it is evident that where a person makes a voluntary payment of interest along with belated payment of tax whether admitted on his own or within thirty days from the date of issue of show cause notice, then the proceedings are deemed to be concluded and no penalty is leviable.

Other Important Points to Note

1. The term 'tax' here means the tax payable under the Act or Rules made thereunder.
2. The phrase 'on his own' used in sub-section (1) indicates that such payment of interest should be made voluntarily (i.e.) even without a demand.
3. There are no specific provisions for payment of interest on the interest amount due.
4. The interest payable under this section shall be debited to the Electronic Tax Liability Register as per sub Rule 1 of Rule 85
5. Such liability for interest can be settled by adjustment with balance in Electronic Cash Ledger but not with balance in Electronic Credit Ledger

50.3 Issues and Concerns:

- i. Unlike Central Excise or Service Tax Law, where interest was to be paid only when CENVAT Credit was *availed and utilised* incorrectly. In a GST regime availing of incorrect input tax credit is sufficient cause to attract the provisions of liability to pay interest. However, due to deferment of GSTR 2 and GSTR 3, section 50(3) may not become operational to demand interest on ineligible credit availed but not utilized.
- ii. Further, due to section 50(2) stating that the 'manner of computation is to be prescribed' some experts hold the view that until any method is prescribed, merely prescribing the rate of interest would not suffice to demand interest.
- iii. When there is change in the value of input tax credit (common credit) to be reversed to the extent it relates to exempt turnover on the basis of amounts calculated finally at the

end of the financial year is liable to interest immediately from first day of subsequent financial year, whereas Central Excise Act, 1944, Finance Act 1994 read with CENVAT Credit Rules, 2004 allowed time for reversal without interest upto 30.06 of the subsequent financial year.

- iv. In previous law amount credited to PLA or paid by challan was considered to be a payment of tax and interest is payable till the amount is paid through challan. In GST interest is to be paid till the electronic cash or electronic credit ledgers are not debited.

50.4 Comparative Review

1. This provision is similar to that in service tax and excise laws. In the case of VAT laws, if the payment of tax and interest is after issuance of show cause notice, it is at the discretion of the adjudicating authority to drop the penalty. Some State VAT laws have mandatory penalty provisions.
2. The view laid down by the Hon'ble Supreme Court in [Prathibha Processors v. UOI (1996) 11 SCC 101] that interest is automatic as it is compensatory in nature and not penal in character, holds good even under the subject Act.

50.5 FAQs

Q1. When is a person liable to pay interest?

51.1 Introduction

With an objective of ensuring smooth rollout of GST, the provisions of Tax Deduction at Source (Section 51 of the CGST / SGST Act 2017) and Tax Collection at Source (Section 52 of the CGST/SGST Act, 2017) has been postponed. Thereby, Persons who will be liable to deduct or collect tax at source will be required to take registration, but the liability to deduct or collect tax will arise from the date the respective sections are brought in force. It has further been clarified that persons supplying goods or services through electronic commerce operator liable to collect tax at source would not be required to obtain registration immediately, unless they are so liable under Section 22 or any other category specified under Section 24 of the CGST Act, 2017.

The GST Council in the 26th GST council meeting, held on 10.03.2018 decided that the provisions for TDS under section 51 of the CGST Act and TCS under section 52 of the CGST Act shall remain suspended till 30.06.2018.

Notification No. 33/2017 – Central Tax has appointed 18th September 2017 notifies the following persons under Section 51(1)(d) as liable for TDS;

- (a) an authority or a board or any other body, -
 - (i) set up by an Act of Parliament or a State Legislature; or
 - (ii) established by any Government, with fifty-one percent or more participation by way of equity or control, to carry out any function;
- (b) society established by the Central Government or the State Government or a Local Authority under the Societies Registration Act, 1860 (21 of 1860);
- (c) public sector undertakings:

The Notification also states that TDS provisions shall come into effect **from a date to be notified** subsequently, on the recommendations of the Council, by the Central Government.

Notification No. 50/2018 Central Tax dated 13.09.2018 seeks to bring section 51 of the CGST Act (provisions related to TDS) into force w.e.f 01.10.2018. Reference may be had to

circular 76/50/2018-GST dated 31 December, 2018 which makes it clear that the 51% condition is applicable to both limbs of 'authority or board' appearing in notification issued under section 51(1)(d) (under para (a) above).

This section provides for deduction of tax at source in certain circumstances. The Section specifically lists out the deductors who are mandated by the Central Government to deduct tax at source, the rate of tax deduction and the procedure for remittance of the tax deducted. The amount of tax deducted is reflected in the Electronic Cash Ledger of the deductee.

51.2 Analysis

CGST Act vide Section 2 (53) defines the term Government to *mean* the Central Government. Section 51 (1), *ibid* refers to TDS related mandating by 'Government' (Central/State Government). Such mandating shall be for the following persons -

Department or Establishment of Central Government or State Government
Local Authority.
Government Agencies.
Persons or category of persons notified by the Central Government on recommendation of the Council. (Notified vide Notification No. 33/2017- Central Tax)

1. The above 'persons' are referred to as deductors. Refer discussion of 'Government' under section 2(53) and the tests to identify Government that would be important to know who will be 'tax deductors' under section 51.
2. The deductors have to deduct tax at the rate of 1% from the payment made or credited to the supplier of taxable goods and / or services, notified by the Central Government or State Government on the recommendations of the Council. Deduction is required where the total value of supply under 'a contract' exceeds INR 2.5 lakhs. Value of supply shall exclude the tax indicated in the invoice. No deduction shall be made if the location of the supplier and the place of supply is in a State or Union territory which is different from the State or as the case may be, Union territory of registration of the recipient.
3. TDS applies on 'taxable goods or services' supplied and not on 'all taxable supplies'. Please note that 'taxable supplies' is defined in section 2(108) of CGST Act which covers all supplies that are 'leviable' to tax (even if exempt by notification under section 11 of CGST Act). But, 'taxable goods and services' requires to inquire into whether the goods or services are taxable or exempt. If they are exempt, then TDS will not apply.
4. TDS, however, apply even if the supplier is unregistered or composition tax payer. Reference may be had to GSTR 4 (composition) which provides table 9 'TDS Credit'. As regard unregistered supplier, TDS is unrecoverable. Due to repeated extensions, it is not clear if TDS can be deposited 'Without GSTIN' of Deductee.

5. The amount deducted shall be paid to the Central Government within ten days after the end of the month in which such deduction is made.

Sub Rule 9 of rule 87 of the CGST rules provides) that payment shall be made by debiting the electronic cash ledger and crediting the electronic tax liability register.

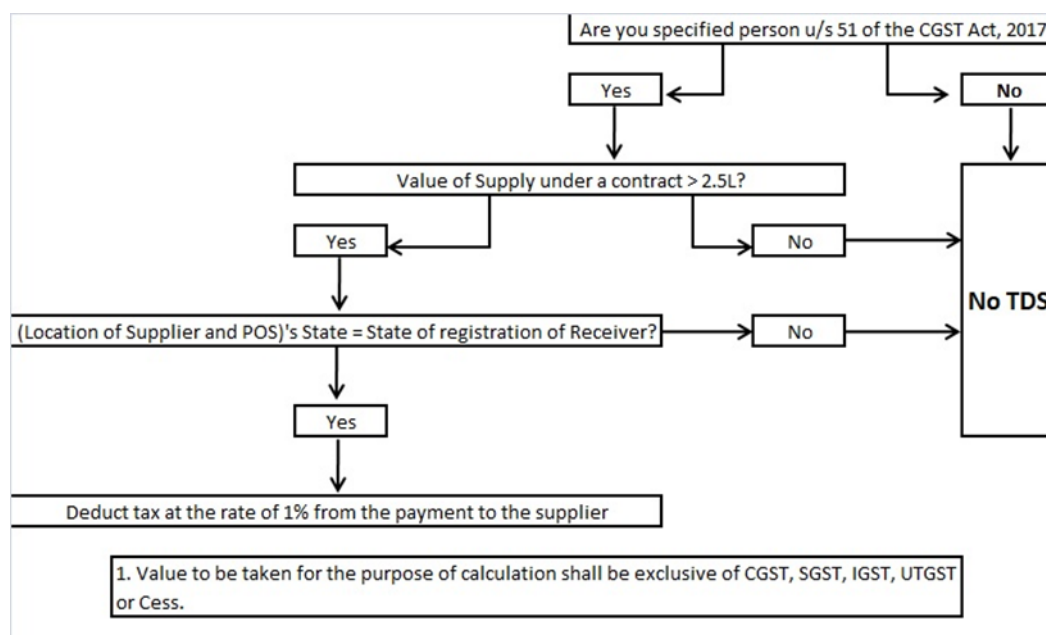

6. As per Rule 66, the deductor shall furnish a TDS certificate in Form GSTR-7A to the deductee mentioning therein the following:
- (a) contract value
 - (b) rate of deduction
 - (c) Amount deducted
 - (d) Amount paid to the appropriate Government
 - (e) Any other particulars as may be prescribed

This certificate has to be furnished within five days of remittance as mentioned above.

7. Certificate not furnished by the deductor: - If the deductor does not furnish the certificate of deduction-cum- remittance within five days of the remittance, the deductor has to pay a late fee of INR 100 per day from the 6th day until the day he furnishes the certificate. The maximum late fee is prescribed as INR 5000.
8. Non-remittance by the deductor: If the deductor does not remit the amount deducted as TDS, he is liable to pay penal interest under Section 50 in addition to the amount of tax deducted.
9. The amount of tax deducted reflected in Electronic Cash Ledger of deductee in the return in Form GSTR-7 filed by deductor shall be claimed as credit.

This provision enables the Government to cross-check whether the amount deducted by the deductor is correct and that there is no mis-match between the amount reflected in the Electronic Cash Ledger as reflected in the return filed by deductor. One may draw easy analogy from existing practice in income tax related E-TDS returns filed by deductor and 26AS statement available for viewing the TDS remitted in respect of his transactions by deductee.

10. Refund on excess collection: The deductor or the deductee can claim refund of excess deduction or erroneous deduction. The provisions of section 54 relating to refunds would apply in such cases. However, if the amount deducted has been credited to the Electronic Cash Ledger of the deductee, the deductor cannot claim refund (only deductee can claim).
11. As mentioned above, UTGST Act 2017, subject to its own provisions, adopts the provisions in CGST Act in respect of Tax Deduction at Source *mutatis mutandis* (Ref: Sec 21 of UTGST Act).

51.3 Comparative review

Provisions for deduction of tax at source exist in the VAT laws. There were no TDS provisions in central excise or service tax laws, though there was a concept of reverse charge. Under most State VAT laws, TDS provisions are applicable on payments made to works contractors. Some States had provisions for TDS on 'transfer of right to use goods'

Comparative table between State VAT Law and CGST Act:

S. No.	State VAT Law	CGST Act
1.	Applicable only to works contractors.	Applicable to recipients notified by the Central Government on recommendations of GST council.
2.	Two different standard rates	One standard rate viz. 1%
3. 52.1 Introduction

This Section provides for collection of tax at source in certain circumstances. The Section specifically lists out the tax collecting persons who are mandated by the Central Government to collect tax at source, the rate of tax collection and the procedure for remittance of the tax

collected. The amount of tax collected is reflected in the Electronic Cash Ledger of the person from who tax collected.

Provisions which are common under CGST, UTGST and SGST Act have been analyzed herein.

52.2 Analysis

- (i) Every E-Commerce Operator shall collect TCS at a rate not exceeding 1% on the net value of transaction in which he collects consideration of the supply. Please note that if there is returning of supplies to Suppliers, then the same shall be reduced from the gross value; TCS shall be worked on such net figure only (after such reduction). It is pertinent to note the following definitions here –
- Section 2 (44), –
- “electronic commerce” means the supply of goods or services or both, including digital products over digital or electronic network;
- Section 2 (45), –
- “electronic commerce operator” means any person who owns, operates or manages digital or electronic facility or platform for electronic commerce
- (ii) Unlike section 51 (where taxable goods or services attract TDS), section 52 attracts TCS on value of ‘taxable supplies’. The difference must be understood. TCS will NOT apply if goods or services are exempt. And supplier (making supplies that are liable to TCS) is liable to register under section 24(ix), there is no occasion to allow benefit of ‘exemption threshold’ under section 22(1) to such supplier.
- (iii) The amount collected so shall be paid to the Central/State Government respectively within ten days after the end of the month in which such collection is made.
- (iv) In case the E-commerce operator fails to collect to tax under sub-section 1 of section 52 or collects an amount which is less than the amount required to be collected under said sub-section or where he fails to pay to the government the amount collected as tax under sub-section 3 of section 52, he shall be liable to penalty under clause (vi) of sub-section 1 of section 122 of the Act which may extend to twenty five thousand along with penalty under of i.e. ₹.10,000 or the amount of TCS involved, whichever is higher.
- (v) E-Commerce operator shall furnish details of outward supplies of goods or services or both made through it, including the supplies returned through it and the amount collected by it in sub-section 1, in Form GSTR-8 within the 10 days after end of the month in which supplies are made.
- (vi) The details of tax collected at source furnished by an E-commerce operator under section 52 in Form GSTR-8 shall be made available to the supplier in Part D of FORM

GSTR - 2A electronically through the Common Portal and such taxable person may include the same in FORM GSTR-2.”

- (vii) Section 52 (5) of CGST Act requires filing of Annual Statement by E-Commerce operator on or before 31st December following the year end (31st March of relevant year).
- (viii) The amount of tax collected is reflected in Electronic Cash Ledger of supplier since related monthly return is filed by E-Commerce Operator.
- (ix) Any mismatch between the data submitted by the E-Commerce operator in his monthly returns and that of suppliers making supplies through him shall cause due ‘mismatch enquiry’ from the proper officer; and either party may rectify the erroneous data. If rectification is not carried out by supplier his offences get confirmed. Short remittance, if any, identified thus will have to be paid by erring supplier (who under reported the turnover) with interest calculated as per Section 50.
- (x) Any authority, in the rank of Deputy Commissioner or above it can issue a notice – during, or before a proceeding under this Act - to E Commerce Operator seeking information on –
 - (a) supplies of goods or services or both effected through such operator during any period; or
 - (b) stock of goods held by the suppliers making supplies through such operator in the godowns or warehouses, by whatever name called, managed by such operator and declared as additional places of business by such suppliers, as may be specified in the notice.

This shall be a notice which need to be responded within 15 days from the date of receipt by the E Commerce Operator. Failure to submit the required details will cause penalty under Section 52 (14) of the Act which may extend to ₹. 25,000.

- (xi) UTGST Act 2017, subject to its own provisions, adopts the provisions in CGST Act in respect of Tax Collection at Source *mutatis mutandis* (Ref: Sec 21 of UTGST Act).
